

A professional cable tray manufacturer in Southern Europe

Article Overview

Leading cable tray manufacturers in Southern Europe include Schiavetti Tekno (Italy), Spina Group (Italy), and VALDINOX (Italy), offering high-quality industrial cable management solutions.

Key Manufacturers

1. Schiavetti Tekno (Part of Spina Group, Italy) Schiavetti Tekno is a prominent Italian manufacturer specializing in stainless steel, galvanized, and wire cable trays. Their product range includes ladder, perforated, closed, and wire-mesh trays, designed for industrial, energy, and infrastructure applications. They provide custom sizes, including popular 300 mm trays, and ensure compatibility with Unistrut systems. All products comply with European (EN) and international (UL) standards, and the company offers full technical support, testing, and after-sales assistance . 2. Spina Group (Italy) Beyond Schiavetti Tekno, Spina Group encompasses multiple production units, including Eurocavi and ITE, providing tailor-made cable trays and accessories. Their solutions are suitable for high-corrosion or explosion-risk environments, and they maintain compliance with UL, ATEX, NEC, IECEx, and EN standards. Spina Group emphasizes customization and high-quality industrial electrical materials for diverse sectors . 3. VALDINOX (Italy) VALDINOX specializes in wire mesh cable trays, supports, and accessories, with one of the largest production capacities in Europe. Their EASYCONNECT(R) system allows faster installation and enhanced safety, leveraging the elastic properties of steel for durability. VALDINOX offers custom-made solutions and can produce over 15 km of trays per day, making them suitable for large-scale industrial projects .

Additional European Manufacturers

4. DKC Europe DKC provides a comprehensive range of cable tray systems and energy distribution solutions for civil and industrial infrastructures across Europe. They are recognized for their broad product portfolio and expertise in energy protection and transport systems . 5. Trayco (Belgium) Although based in Belgium, Trayco serves Southern Europe and specializes in cable trays, mesh trays, cable ladders, and mounting systems. They also provide consulting and installation guidance, making them a reliable partner for complex projects .

Summary

For sourcing cable trays in Southern Europe, Italian manufacturers like Schiavetti Tekno, Spina Group, and VALDINOX are highly recommended due to their extensive product range, compliance with international standards, and customization capabilities. Companies like DKC Europe and Trayco also offer strong support and solutions for industrial and civil infrastructure projects. These manufacturers provide options for stainless steel, galvanized, perforated, ladder, and wire mesh trays, ensuring durability, safety, and efficient cable management.
