

Article Overview

Key elevator distribution box manufacturers in ASEAN include Foshan Shunde Lihong, Hensel (via Asiatic Group), and major elevator component brands like Otis, Mitsubishi, KONE, Schindler, and Thyssenkrupp.

Foshan Shunde Lihong Electronic Co., Ltd.

Foshan Shunde Lihong, established in 1996 in Guangdong, China, specializes in electrical distribution boxes, extension sockets, and multimedia information boxes. Their elevator distribution boxes are exported to Thailand, Indonesia, and the Philippines, with a high positive review rate of 89.5% . The company manufactures over 90% of its components in-house, ensuring quality control and fast production. They offer customized products and professional packaging for safe delivery, making them a reliable supplier for ASEAN markets .

Hensel Distribution Boxes via Asiatic Group

Gustav Hensel GmbH & Co. KG produces high-quality electrical installation and power distribution systems, including distribution boards and junction boxes suitable for elevators. Hensel products are designed for harsh environments, with IP65 to IP67 protection, UV resistance, and flame-retardant materials. In ASEAN, Hensel products are distributed by Asiatic Group, which provides local support and ensures compliance with international standards .

Major Elevator Component Brands

Several global elevator manufacturers also provide integrated distribution solutions as part of their elevator systems in ASEAN:

- o Otis Elevator Company - Offers elevators, escalators, and related electrical components .
- o Mitsubishi Electric Corporation - Provides elevators and power distribution systems for building automation .
- o KONE Corporation - Specializes in elevator and escalator systems with integrated electrical distribution .
- o Schindler Group - Supplies elevators and distribution components for vertical transportation .
- o Thyssenkrupp Elevator AG - Offers elevator systems with associated electrical distribution solutions .

Regional Distribution and Support

For ASEAN countries, Rittal also maintains authorized channel partners across Singapore, Philippines, Malaysia, Thailand, Indonesia, and Vietnam, offering industrial enclosures and power distribution solutions

suitable for elevator installations . These partners provide local sales, technical support, and system integration services.

Summary

For elevator distribution boxes in ASEAN, users can consider:

- o Foshan Shunde Lihong - cost-effective, customizable, widely exported in Southeast Asia .
- o Hensel via Asiatic Group - high-quality, IP-rated, suitable for harsh environments .
- o Global elevator brands - Otis, Mitsubishi, KONE, Schindler, Thyssenkrupp, which include integrated distribution solutions .
- o Rittal channel partners - for industrial enclosures and power distribution support in ASEAN . These options provide a mix of local availability, international quality standards, and customization for elevator projects in the ASEAN region.
