

Article Overview

Brunei offers a range of approved busbar cable tray brands, including local suppliers like Syarikat Lan-Ric Industries and Bahra Electric, as well as international manufacturers such as Total Power Box Solutions, Inc. and EAE Electric.

Local Suppliers

Syarikat Lan-Ric Industries Sdn Bhd provides a variety of cable management solutions, including perforated cable trays, cable ladders, wire mesh trays, and underfloor trunking, suitable for commercial and industrial installations in Brunei . Bahra Electric offers versatile metal and non-metallic cable trays designed for safe, organized, and accessible cable routing. Their products are modular, adaptable to different spaces, and support both suspended ceiling and floor-mounted configurations .

International Brands

Total Power Box Solutions, Inc. manufactures high-quality electrical products, including busducts, cable trays, switchgear, and panelboards, using advanced CNC technology to ensure precision and reliability . EAE Electric provides a comprehensive range of busbar systems, cable trays, and trolley busbars, with catalogues available for download to review specifications and configurations .

DES-Approved Manufacturers

The Department of Electrical Services (DES) in Brunei maintains a list of approved products and manufacturers for mechanical and electrical installations. Only products from these approved manufacturers are acceptable for use in Brunei, ensuring compliance with local standards and quality requirements . Vendors and project planners should consult the latest DES list to verify approval status before procurement.

Summary

For busbar cable tray solutions in Brunei, you can consider:

- o Local suppliers: Syarikat Lan-Ric Industries, Bahra Electric
 - o International manufacturers: Total Power Box Solutions, Inc., EAE Electric
 - o Compliance check: Always verify DES approval to ensure the product meets Brunei's regulatory standards .
- These options provide a mix of local availability, international quality, and regulatory compliance, suitable for commercial, industrial, and institutional projects.
