

Article Overview

Mesh cable trays in Brunei typically range from \$300 to \$500 per unit, depending on material, size, and supplier.

Price Range and Materials

Mesh cable trays available in Brunei are generally priced between \$300 and \$500 per tray for standard sizes, with prices varying based on material and specifications (e.g., galvanized steel, stainless steel, or aluminum) and whether the tray includes covers or additional fittings . Some suppliers also offer glass-fiber reinforced plastic trays, which are non-conductive and corrosion-resistant, often used in specialized environments .

Types of Mesh Cable Trays

- o Wire Mesh Trays: Open-grid design for ventilation and easy cable access.
- o Perforated Trays: Allow air circulation and drainage, suitable for heavy-duty power cables.
- o Ladder-Type Trays: Provide strong support for large cable bundles.
- o Solid Bottom Trays: Less common, used for complete cable protection .

Accessories and Installation

Most suppliers provide clamps, coupler plates, elbows, bend junctions, tees, and reducers to complete the cable tray system . These accessories ensure proper installation and structural integrity.

Suppliers and Wholesale Options

Brunei buyers can source mesh cable trays from wholesale suppliers and manufacturers listed on platforms like go4WorldBusiness and Europages, which connect buyers with verified suppliers offering bulk pricing . Some suppliers also provide custom sizes and coatings such as pre-galvanized, hot-dip galvanized, painted, powder-coated, or epoxy-coated trays for indoor or outdoor use .

Summary

When purchasing mesh cable trays in Brunei, expect \$300-\$500 per unit for standard trays, with prices influenced by material, size, and additional features. For bulk orders, contacting suppliers directly can provide custom pricing, shipping options, and technical specifications to suit specific project requirements .
