

Article Overview

Burundi has both local and international manufacturers supplying electrical distribution boxes, including LT distribution panels, power control panels, and low-voltage systems.

Local Manufacturers

Brilltech Engineers Pvt. Ltd. is a prominent electrical installation manufacturer in Burundi, offering a wide range of products such as LT distribution panels, load management panels, outdoor power panels, marshalling panels, and power control panels. They operate an in-house manufacturing unit with modern machinery and precision tools, ensuring high-quality and customized solutions for residential, commercial, and industrial applications. Their products are known for sustainable performance and reliability, and they also provide electrical cables, transformers, and earthing solutions like GI and copper strips .

International Suppliers

CSQ Electric is a reputable international supplier that exports low-voltage power distribution systems to over 60 countries, including Africa. They provide automatic transfer switches, miniature circuit breakers, load breaker switches, relays, and switch disconnectors, with ISO9001, ISO14001, and ISO45001 certifications. CSQ specializes in intelligent, efficient, and environmentally friendly power solutions suitable for households, commercial buildings, and industrial facilities . JINAO offers prefab electrical conduit boxes that can be sourced via platforms like Alibaba, providing options for bulk orders and customization .

Key Considerations

- o Customization: Both local and international manufacturers offer tailored solutions to meet specific project requirements.
- o Certifications: ISO-certified suppliers ensure compliance with international quality and safety standards.
- o Product Range: Options include indoor and outdoor panels, low-voltage distribution boards, and specialized electrical enclosures.
- o Support & Installation: Local manufacturers like Brilltech provide installation support and after-sales service within Burundi. For construction projects in Burundi, you can contact Brilltech Engineers Pvt. Ltd. for local supply and installation, or consider CSQ Electric and JINAO for international sourcing and specialized distribution boxes.
