

Article Overview

Laos has several reputable cable tray manufacturers, including Brilltech Engineers Pvt. Ltd., Watana Wire & Cable Company, and suppliers listed on platforms like Trademo and ExportHub.

Key Manufacturers

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a leading manufacturer of galvanized cable trays in Laos, offering both standard and customized solutions. Their facilities are equipped with modern machinery, and they maintain ISO certifications to ensure high-quality production. They serve various industries and notable clients such as Hero, Kia, Bosch, and Honda, providing reliable electrical panels and cable management systems tailored to industrial requirements . 2. Watana Wire & Cable Company (WWCC) WWCC is a prominent local manufacturer of electric wires and cables, recognized for over 20 years of service in Laos. Their manufacturing facilities are ISO 9001 certified, and they supply both public and private sector projects. While primarily focused on wires and cables, they are a trusted partner for integrated electrical solutions, which may include cable tray systems .

B2B Platforms and Supplier Listings

Trademo Trademo provides a comprehensive directory of cable tray manufacturers and suppliers in Laos, including shipment details, trade volumes, and business intelligence for sourcing and market insights . ExportHub ExportHub lists wire cable tray metal manufacturers in Laos, connecting buyers with local suppliers capable of fulfilling both domestic and international orders. This platform is useful for comparing manufacturers, checking product specifications, and initiating direct inquiries .

Specialized Cable Tray Options

Hot-Dip Galvanized (HDG) Cable Trays For projects in tropical and humid climates like Laos, HDG cable trays are recommended due to their superior corrosion resistance. These trays are coated with molten zinc at high temperatures, significantly extending their lifespan. Projects such as the Laos Forest Pulp and Paper Integration Project have successfully implemented HDG cable trays to ensure durability and efficiency .

Summary

For sourcing cable trays in Laos, you can consider:

- o Brilltech Engineers Pvt. Ltd. for galvanized and customized trays with ISO-certified quality.
- o Watana Wire & Cable Company for integrated electrical solutions and reliable local manufacturing.
- o Trademo and ExportHub for a broader list of suppliers and trade intelligence.

Cable tray manufacturers in Laos

o HDG cable trays for projects requiring enhanced corrosion resistance in tropical conditions. These options provide a mix of local expertise, certified quality, and specialized products suitable for industrial and infrastructure projects in Laos.
