

Article Overview

Cable tray pricing in Canada varies by type, material, size, and supplier, and quotes are typically obtained directly from distributors like WESCO, Nedco, Lumen, or Unitray.

Key Suppliers and Options

- o WESCO Canada offers a wide range of aluminum cable trays, including ladder trays, basket trays, and straight sections with varying widths (6-24 inches), heights (4-6 inches), and lengths (3-6 meters). Load capacities range from 47 lb/ft to 80 lb/ft depending on the series and span . Accessories like splice plates, end closures, and covers are also available . Pricing is not listed online, so a direct quote is required.
- o Unitray specializes in aluminum cable tray systems such as FASTRAY(R), which are designed for easy installation and high load capacity. They provide ready-to-install fittings and simplified components to reduce labor costs. Quotes can be requested directly through their website .
- o Nedco and Lumen also supply cable trays and accessories, including ladder and channel trays, with various widths and materials. Specific product codes and dimensions are listed, but pricing requires contacting the supplier .

Factors Affecting Price

- o Material: Aluminum trays are generally lighter and corrosion-resistant, while steel trays may be more cost-effective but heavier.
- o Tray Type: Ladder, basket, or solid-bottom trays have different manufacturing costs.
- o Dimensions: Width, height, and length directly influence material usage and price.
- o Load Capacity: Higher load ratings require stronger materials or reinforced designs.
- o Accessories: Splice plates, covers, and end closures add to the total cost.
- o Supplier and Location: Prices may vary by distributor and shipping distance within Canada.

How to Obtain a Quote

- o Visit the supplier's website (e.g., WESCO Canada, Unitray, Nedco, Lumen) and use their contact forms or request a quote options.
- o Provide tray type, dimensions, material, quantity, and any accessories needed.
- o Ask about bulk discounts, shipping costs, and lead times. By contacting suppliers directly, you can receive a customized price quote tailored to your project requirements and location in Canada .
