

How do I find out the price of a distribution box

Article Overview

Distribution box prices vary widely depending on type, material, capacity, and features, ranging from \$10 for basic residential units to several thousand dollars for industrial or smart systems.

Online Marketplaces and Manufacturer Websites

You can find distribution box prices on manufacturer and supplier websites such as Made-in-China, NUOMAK, and Sunnom, which provide detailed product listings, specifications, and pricing guides . These platforms often allow you to request custom quotes for specific configurations, including OEM branding, smart features, or industrial-grade enclosures .

Price Ranges by Type

- o Residential distribution boxes: Small, plastic units typically cost \$10-\$25, suitable for home use .
- o Industrial distribution boxes: Steel or aluminum enclosures with higher load capacity are priced around \$40 and up, depending on features and certifications .
- o Explosion-proof or intelligent boxes: Advanced units with smart monitoring or safety features can cost hundreds to thousands of dollars, reflecting their complexity and durability .

Factors Affecting Price

- o Material: Aluminum alloy > Steel plate > Plastic .
- o Protection rating: Higher IP ratings (waterproof/dustproof) increase cost.
- o Internal components: Circuit breakers, surge protectors, and busbars add to the price.
- o Certifications: IEC61439, UL, CE, or CCC certified boxes cost 20-30% more than non-certified units .
- o Installation and labor: Professional installation can range from \$1,300-\$1,800 for residential upgrades, with industrial setups costing significantly more .

Recommended Brands

Reputable brands include Schneider Electric, Siemens, ABB, Chint Electric, and ONESTO, which offer high-quality distribution boxes with reliable after-sales service .

How to Get Current Prices

- o Request a quote directly from suppliers or distributors online.
- o Check e-commerce platforms like Amazon for residential units.
- o Contact local electrical supply stores for industrial or specialized boxes.
