

How much does a ladder-type cable tray cost in Kenya

Article Overview

Ladder-type cable trays in Kenya typically cost between KSh 2,500 and KSh 8,000 per 8-foot section, depending on material, size, and supplier.

Price Range and Factors

The cost of ladder cable trays varies based on several factors:

- o **Material:** Galvanized steel is common and moderately priced, while stainless steel and aluminum trays are more expensive due to corrosion resistance and durability .
- o **Size:** Standard lengths are 8 feet (2.44 meters), with widths ranging from 25mm to 100mm and heights from 50mm to 600mm . Larger or custom dimensions increase the price.
- o **Load Capacity:** Trays designed for heavy-duty industrial cables cost more than those for light commercial use .
- o **Supplier and Shipping:** Some suppliers, like Tronic Kenya, offer free shipping for orders above KSh 5,000, which can affect overall cost .

Typical Costs

- o **Small to medium commercial trays:** KSh 2,500-4,500 per 8-foot section.
- o **Heavy-duty industrial trays:** KSh 5,000-8,000 per 8-foot section.
- o **Custom or specialized trays:** Prices may exceed KSh 10,000 depending on material, coating, or design requirements .

Suppliers in Kenya

- o **Rapidtech Networks Limited:** Offers ladder trays for industrial and commercial systems with galvanised steel options .
- o **Tronic Kenya:** Supplies ladder cable trays with free shipping for qualifying orders .
- o **TDK Tech Store:** Provides galvanized, stainless steel, and aluminum trays in standard sizes .
- o **Duff Engineering Ltd:** Offers both standard and custom cable trays for industrial applications .
- o **PMZ Limited:** Supplies trays for commercial buildings, data centers, and public infrastructure . When purchasing, it is advisable to compare suppliers, check material specifications, and consider shipping costs. For large projects, bulk orders may also attract discounts.
