

Article Overview

Several manufacturers in Singapore produce high-quality cable trays, including United U-Li Projects, Foresight Metal Engineering, SMARTr International, Wanco Electric, and VoltecX/Takaso Industries.

Key Manufacturers

United U-Li Projects Pte Ltd Established in 2009, United U-Li Projects offers a comprehensive range of cable trays, trunkings, cable ladders, conduits, fittings, and floor trunking systems for diverse industrial and commercial projects in Singapore . Foresight Metal Engineering Pte Ltd Operating since 1992, Foresight Metal Engineering specializes in metal cable trays, trunkings, and ladders under their FME brand. They provide both standard and customized solutions for commercial and industrial applications . SMARTr International Pte Ltd SMARTr International manufactures electrical cable containment and support systems, including cable trays, trunking, flexible conduits, and stainless steel containment systems. Their products comply with international standards such as BS EN, UL, and IEC, and are widely used in infrastructure, industrial, and data center projects . Wanco Electric Pte Ltd Wanco Electric produces perforated steel cable trays in various types and materials, including pre-galvanized steel, hot-rolled steel, stainless steel, aluminum, and FRP/GRP. They offer light to super heavy-duty options suitable for different load requirements . VoltecX / Takaso Industries Pte Ltd VoltecX, operated by Takaso Industries, provides cable trays, trunkings, ladders, conduits, and C-channels. They focus on innovative cable management solutions for construction and industrial projects, offering both standard and customized systems .

Summary

These manufacturers provide a wide range of cable tray solutions in Singapore, covering different materials, load capacities, and customization options. Depending on project requirements, clients can choose from standard steel, stainless steel, aluminum, or composite trays, with options for light, medium, or heavy-duty applications. Each company also offers additional cable management products such as trunkings, ladders, and conduits to complement their cable tray systems.
