Scattered across 29 coral atolls and 5 islands, the Marshall Islands offer pristine lagoons, world-class diving on WWII wrecks and coral reefs, and a resilient culture that has survived colonial rule and nuclear testing. The sovereign state lies west of the International Date Line and north of the equator in the Micronesia region of the Northwestern Pacific Ocean. Good food with a fabulous view: That's The Toeak Bar and Grill in Uliga. Making a video of youth singing. The Marshall Islands consist of two archipelagic island chains of 30 atolls and 1,152 islands, which form two parallel groups--the "Ratak" (sunrise) chain and the "Ralik" (sunset) chain.
