

Price of 400 Cable Tray Cover Plate

Article Overview

The price of a 400 cm (4-meter) cable tray cover plate ranges from approximately EUR515 to \$3.35 per unit, depending on material, finish, and supplier.

Pricing by Material and Supplier

- o Zinc-Plated Steel (Niedax RDV400, 400x3000mm): For a 3-meter section, the price is around EUR515 per piece when purchasing a minimum of 6 meters, with potential discounts for larger quantities or advance payment . Delivery typically takes about 8 working days. Suppliers can provide custom quotes for specific quantities.

- o PVC Covers (TBPE 400, 3 meters): PVC covers are suitable for outdoor or humid environments, resistant to corrosion and chemicals. Pricing is generally available per 3-meter section, and suppliers like Univolt offer these for rooftop or poolside installations .

- o Galvanized Steel or Aluminum Covers: Suppliers such as MP Husky provide flat, flat-flanged, hat-shaped, or louvered covers in standard 12-foot (3.66 m) lengths, with prices varying based on material (aluminum, mill-galvanized, 304/316 stainless steel) and design . Bulk orders or custom lengths may affect the final price.

- o Wholesale Options: Alibaba lists 400 mm cable trays starting at \$3.35 per unit, though this refers to the tray itself rather than the cover plate. Customization and bulk orders may influence pricing .

Considerations for Purchase

- o Length: Most standard covers are sold in 3-meter or 12-foot sections; a 4-meter requirement may require combining sections or requesting a custom length.

- o Material: Choose based on environment--PVC for outdoor/humid areas, galvanized or stainless steel for heavy-duty or industrial use.

- o Discounts: Many suppliers offer graduated pricing for bulk purchases or advance payment. Contacting the sales team directly can yield the best price.

- o Delivery: Lead times vary; zinc-plated steel covers may take around 8 working days, while other materials depend on stock availability.

For an exact quote for a 400 cm cable tray cover plate, it is recommended to contact suppliers like Niedax, MP Husky, or Univolt with your required material, length, and quantity to receive a tailored price and delivery estimate.
