

Article Overview

Wire mesh cable trays typically range from \$0.80 to \$76 per unit depending on material, size, and finish, with stainless steel and aluminum options commanding higher prices.

Price Overview

Wire mesh cable trays, also known as basket trays, are lightweight, versatile, and easy to install, making them ideal for data centers, offices, and industrial applications. Prices vary based on material, size, and finish:

- o Pre-Galvanized Steel (PG): Most affordable, suitable for dry indoor areas like offices and schools.
- o Hot-Dip Galvanized Steel (HDG): More expensive due to thicker zinc coating, ideal for outdoor or industrial environments to prevent rust.
- o Aluminum: Lightweight and corrosion-resistant, higher cost but reduces installation labor due to lighter weight.
- o Stainless Steel (SS304): Premium option for high durability and corrosion resistance, often used in industrial or outdoor settings .

Typical Price Ranges

- o Small B2C trays (Amazon-style, under-desk or home use): \$15-\$34 per unit, with wholesale prices as low as \$0.92 .
- o Industrial B2B trays (Alibaba-style, bulk orders): \$0.80-\$76 per unit depending on size, material, and coating .
- o Coupler plates and accessories: INR44-INR67 per piece for various tray heights (50mm-100mm) in India, with standard lengths around 2.5 meters .

Factors Affecting Price

- o Material: Stainless steel and aluminum are more expensive than pre-galvanized steel.
- o Tray Size: Larger trays or those with higher load capacity cost more.
- o Finish: Hot-dip galvanization adds to cost but improves durability.
- o Installation Requirements: Trays with easy-to-install features like no-drill clamps may have slightly higher prices but reduce labor costs .
- o Bulk Orders: B2B purchases in large quantities reduce per-unit cost but require higher initial investment .

Supplier Options

- o Alibaba: Offers a wide range of industrial wire mesh trays with CE certification and free samples for bulk orders .

Price of Monaco Mesh Cable Trays

- o Local distributors: Price lists may vary; for example, Indian suppliers list coupler plates and trays with GST extra and minimum order quantities .
- o Online retailers: Amazon and similar platforms provide smaller-scale trays for home or office use at moderate prices . For Monaco-specific purchases, it is recommended to contact European distributors or local electrical supply companies to obtain updated pricing, shipping costs, and compliance with local standards.
