

Ranking of Bulgarian Optical Fiber Cable Manufacturers

Article Overview

Cimler Ltd., Fibicon, Tilcom Ltd., CableCom Ltd., and Opticom Ltd. are key Bulgarian manufacturers and suppliers of fiber optic cables.

Leading Manufacturers

Cimler Ltd. is a Bulgaria-based manufacturer established in 2018, with a production plant operational since early 2025. They specialize in high-quality fiber optic cables for telecom, industrial, and infrastructure networks. Their product range includes indoor and outdoor cables, flat drop, self-supported, armored, and flexible models designed for durability, high-speed data transmission, and ease of installation, meeting international standards. Fibicon produces a variety of fiber optic products, including cables and connectors for FTTH, data centers, and military applications. They emphasize high-quality manufacturing and testing processes in collaboration with business partners. Tilcom Ltd., founded in 1999, supplies optical cables and accessories along with electrical equipment. They have over 20 years of experience serving more than 2,500 clients in Bulgaria, focusing on modern commercial practices and high-quality service. CableCom Ltd., also established in 1999, targets computer networking, fiber optics, and data communication markets. They provide structured cabling systems and fiber optic installations for state, petrochemical, and energy sectors, emphasizing system integration and high-performance solutions. Opticom Ltd. specializes in fiber optic cables and optical communication systems, offering consulting, design, splicing, and testing services. They represent international brands like Sumitomo, EXFO, and Trend Network in Bulgaria.

Summary

These companies collectively cover a wide spectrum of fiber optic cable needs, from high-performance industrial and telecom applications to customized solutions for infrastructure projects. They offer both manufacturing capabilities and installation or consulting services, making Bulgaria a viable hub for sourcing optical fiber cables.
