

Article Overview

Yes, several manufacturers produce trapezoidal cable trays, including Atkore, Spina Group, ABB, and Chalfant Manufacturing, offering customizable solutions for industrial and commercial applications.

Leading Manufacturers

Atkore International is a global manufacturer known for its extensive cable tray systems, including roll-formed and custom designs suitable for trapezoidal configurations, serving construction and renovation projects worldwide . Spina Group (Schiavetti Tekno), based in Italy, specializes in industrial cable trays and accessories, offering custom sizes and types such as closed, perforated, ladder, and wire-mesh trays. Their systems are designed for strength, corrosion resistance, and compliance with European and international standards, making them suitable for trapezoidal tray applications . ABB manufactures a wide range of cable tray systems, including channel trays and strut framing, with facilities in Canada and Saudi Arabia. Their products are adaptable and can be customized to meet specific installation requirements, including trapezoidal shapes . Chalfant Manufacturing provides high-quality cable tray systems, including walkable and self-connecting lines, with options for tailored solutions that can accommodate trapezoidal designs . Other notable manufacturers include PT Trias Indra Saputra, Sunil Engineering Corporation, and ELCON CABLE TRAYS PVT. LTD., all of which offer a variety of cable tray types and accessories suitable for industrial and commercial installations .

Considerations for Selection

When choosing a manufacturer for trapezoidal cable trays, consider:

- o Material options: Galvanized steel, stainless steel, or FRP for corrosion resistance.
- o Customization: Ability to produce trays in specific widths, depths, and trapezoidal profiles.
- o Compliance: Adherence to standards such as EN 61537, ISO 9001, or UL certifications.
- o Regional support: Availability of local distribution and technical assistance. These manufacturers provide both standard and custom solutions, ensuring that trapezoidal cable trays can be sourced for diverse industrial, commercial, and infrastructure projects.

It is the largest cable tray manufacturer and supplier on the B2B platform. The company's main products include wire mesh cable
