

Article Overview

Dongkwang Vina, Butraco, and Viet Power Si are among the top manufacturers in Vietnam known for high-quality, durable cable trays, including fiberglass options.

Leading Manufacturers

Dongkwang Vina is recognized for producing durable and efficient cable management solutions, including ladder trays and accessories, with customization options for various industrial projects. They serve sectors such as electrical, power generation, construction, oil & gas, and telecommunications, and are known for innovation and customer satisfaction (dongkwangvina.com) . Butraco specializes in perforated, ladder, and solid bottom trays, offering cost-effective and reliable solutions. Their products are widely used in industrial and commercial buildings, power and energy projects, infrastructure, and mining (butraco.vn) . Viet Power Si focuses on sustainable and high-quality cable trays, including fiberglass options, meeting international standards. They emphasize efficiency and reliability for power generation, electrical, oil & gas, and construction projects (vietpowersi.com) .

Other Notable Manufacturers

- o Bestray: Offers a comprehensive range of cable trays and accessories for industrial and commercial applications, with tailored solutions for specific project requirements (bestray.com) .
- o Nam Phuong NB: Produces steel and aluminum trays but may also provide fiberglass options upon request, serving construction, industrial, electrical, and oil & gas sectors (namphuongnb.com) .
- o Eetech: Supplies cable trays, ladders, and wire mesh trays in compliance with international standards (BS, UL, CE, NEMA, JIS) and is widely used in high-end buildings and industrial projects (eetech.com.vn) .

Key Considerations for Fiberglass Cable Trays

- o Material Quality: Fiberglass trays are corrosion-resistant, lightweight, and suitable for humid or chemical-prone environments.
- o Certifications: Look for ISO 9001 certification and compliance with IEC or UL standards to ensure durability and safety.
- o Customization: Many Vietnamese manufacturers offer tailored solutions for specific load capacities, tray widths, and installation requirements.
- o Industry Experience: Companies with experience in power plants, oil & gas, and industrial projects are more likely to provide reliable fiberglass trays.

Recommendation

Vietnam Fiberglass Cable Tray Brand Manufacturer

For high-quality fiberglass cable trays in Vietnam, Dongkwang Vina, Butraco, and Viet Power Si are the most reputable choices due to their proven track record, ISO certifications, and ability to customize products for industrial applications. For specialized projects, contacting these manufacturers directly to confirm fiberglass availability and specifications is recommended.
