

What are some manufacturers of optical fiber cables in Ethiopia

Article Overview

Ethiopia has several local manufacturers and importers of optical fiber cables, including BMET Energy Telecom Industry and Trade PLC and numerous other suppliers listed in business directories.

Local Manufacturers

BMET Energy Telecom Industry and Trade PLC is one of the largest cable manufacturers in Ethiopia, producing a wide range of electrical, telecom, and fiber optic cables using modern technology and high-capacity production lines . Their facilities ensure reliable, high-performance cables suitable for various industries, including telecommunications.

Other local fiber and fiber product manufacturers include:

- o ALEM General Fiber Glass PLC
- o Amel Development Enterprise PLC
- o Dashen Fiber Center
- o Ethiopian Fiber Products Factory
- o Fiber Tech Fiber Glass
- o G-Seven Trading and Industry PLC
- o National Fiber Glass PLC
- o Techno Fiber Glass & Waterproofing PLC

These companies may produce fiber optic cables or related fiber products and can be contacted directly for specific optical fiber cable offerings.

Importers and Suppliers

Ethiopia also has a significant number of optical fiber cable importers, with over 1,000 active importers sourcing from international suppliers . Platforms like Volza and go4WorldBusiness provide directories of suppliers and manufacturers, allowing businesses to connect with reliable vendors, request quotations, and verify product specifications .

Considerations for Procurement

When sourcing optical fiber cables in Ethiopia, consider:

- o Cable type: Single-mode or multi-mode depending on distance and data rate requirements .

What are some manufacturers of optical fiber cables in Ethiopia

- o Environmental conditions: Indoor, outdoor, UV resistance, and waterproofing.
- o Connector compatibility: LC, SC, ST, or other types.
- o Supplier reliability: Production capacity, warranty, and past shipment records.
- o Future scalability: Higher capacity cables may be needed for network expansion.

By combining local manufacturers like BMET with verified importers, businesses in Ethiopia can access a wide range of optical fiber cable solutions suitable for telecommunications, networking, and industrial applications.
