

Which Slovakian network server rack provider offers the cheapest prices

Article Overview

ServerMall offers some of the most affordable rack servers in Slovakia, with prices starting from 550 EUR and free EU delivery.

Cost-Effective Options

o ServerMall

- o Offers rack servers starting at 550 EUR, depending on configuration .
- o Free delivery across the EU, including Slovakia.
- o Provides a 5-year warranty and full diagnostics on all equipment.
- o Suitable for businesses or individuals looking for new or refurbished servers at competitive prices.

o Coolhousing s.r.o.

- o Provides rack colocation services in Slovakia with customizable rack sizes and power options .
- o Pricing is based on actual power consumption, which can reduce costs for smaller setups.
- o Includes high-speed connectivity, UPS backup, and security features.
- o While not a direct purchase, it is cost-effective for renting rack space rather than buying full racks.

o Other Slovakian Suppliers

- o Platforms like Europages list multiple Slovakian suppliers for network cabinets and server racks .
- o Prices vary depending on rack type, size, and features. Contacting suppliers directly can yield bulk discounts or special offers.

Tips for Finding the Cheapest Option

- o Compare configurations: Basic rack servers are cheaper than fully loaded units.
- o Consider refurbished equipment: Many providers offer tested and warranty-backed refurbished racks at lower prices.
- o Check delivery and installation costs: Free delivery, like ServerMall offers, can significantly reduce total cost.
- o Evaluate rental vs purchase: Renting rack space (Coolhousing) may be cheaper for short-term or small-scale needs. For the lowest upfront cost, ServerMall is likely the best option for purchasing racks in Slovakia, while Coolhousing is ideal for cost-efficient colocation services.
